

Say Hello to LeakSmart.

Don't just detect water leaks.
Stop damage instantly.

Meet LeakSmart.®

LeakSmart is today's must-have connected home device. This patented system stops water and damage before it starts, by not only detecting leaks, but also instantly shutting off the water whenever a leak is detected.

WATER DAMAGE FACTS

Preventable water damage is the **SECOND MOST COMMON** homeowner's insurance claim.

Homeowners are **3.5X** MORE LIKELY to experience **WATER DAMAGE** than **THEFT** in their homes.

The average water damage claim costs **MORE THAN \$8,000.**

77% of people know at least one person who has suffered water damage.

Preventable water damage occurs **EVERY 12 SECONDS** in U.S. homes.

LeakSmart® protects what you can't replace.

And stops water damage before it even starts.

Our LeakSmart system detect leaks and monitors temperature in your home. At the first sign of a leak, the water can be shut off and a notification will be sent to the homeowner's smart device — all in less than 5 seconds.
